VIENNA, 13-17 September

Sponsoring & Exhibition

RADECS is the leading European conference on radiation and its effects on components and systems with some 500 participants from space industry, research, science and technology.

RADECS 2021 will take place on Sept 13th-17th, 2021 and will be held as a hybrid event, both in Vienna and online.

Take advantage of the great sponsorship and exhibition opportunities for your company to interact with professionals, engineers and scientists at RADECS 2021.

Sponsorship and booths are limited and are allocated on first come/first serve.

Pre-register here for further information:
