10th RADHARD Symposium

May 6 - 7, 2025

Seibersdorf Laboratories proudly announce the 10th Anniversary Edition of the RADHARD Symposium, a comprehensive two-day event dedicated entirely to radiation hardness assurance (RHA). The symposium will take place in Seibersdorf, Austria, on May 6 - 7, 2025.

This special edition celebrates a decade of pioneering insights and discussions in RHA. With our theme – „**Quo Vadis New Space?**“ – we invite participants to reflect on a decade of New Space innovation and look ahead to what the future holds for the industry.

What to expect:

- **RECAP & REFLECTION:** A look back at the last decade of breakthroughs in New Space, highlighting how RHA has evolved and shaped the industry.
- **EMERGING TRENDS & FUTURE NEEDS:** Insightful presentations addressing the upcoming challenges in space radiation hardness assurance and the needs for the next 10 years.
- **EXPERT PANELS & DISCUSSIONS:** Industry leaders will share their perspectives on the future of New Space, discussing radiation challenges and emerging technologies.
- **NETWORKING & COLLABORATION:** Connect with fellow professionals, exchange ideas, and spark new project ideas that will push the boundaries of space innovation.

The RADHARD Symposium caters to a wide range of participants, including seasoned experts and newcomers in the field. We warmly invite both established professionals and students to join us, and engage in meaningful discussions.

Mark your calendars and stay tuned for more information on registration and the full program. Join us on this exciting journey as we look back on a decade of achievement and look ahead to the innovations to come. We look forward to welcoming you!

VENUE and DATE

Seibersdorf Laboratories at the TECH Campus Seibersdorf, only 30 km south of Vienna.
A public connection between Vienna and Seibersdorf Laboratories is available.

Tuesday, May 6, 2025

13:00 - 18:00 h

Wednesday, May 7, 2025

08:30 - 16:30 h

PRELIMINARY PROGRAM

1st Day: Tuesday, May 6, 2025

13:00 Registration

13:30 Welcome

14:00 Keynote

15:00 Oral Presentations and Discussions

15:45 Coffee Break

16:15 Oral Presentations and Discussions
Expert Discussion Panel

18:00 Closing

19:00 Social Dinner

2nd Day: Wednesday, May 7, 2025

08:30 Registration

09:00 Keynote

10:30 Oral Presentations and Discussions

12:30 Lunch Buffet

13:30 Oral Presentations

15:15 Wrap-Up and Discussions

15:30 Laboratory Visits

16:30 Closing

REGISTRATION

Online registration at:

www.radhard.eu

Participation Fee (excl. VAT)

Early Bird (until April 27, 2025)	EUR 100,00
Regular (April 28 - May 5, 2025)	EUR 150,00
Late (May 6 - 7, 2025)	EUR 250,00
Speakers, RADECS members	free of charge

There is a limited number of participants!
Registrations will be made on a first-come,
first-served basis.

ORGANIZER

The RADHARD Symposium is organized by Seibersdorf Laboratories and supported by the Austrian Research Promotion Agency (FFG), the Federal Ministry for Innovation, Mobility and Infrastructure, AUSTROSPACE in cooperation with Graz University of Technology, the University of Applied Sciences Wiener Neustadt and the RADECS Association.

HOW TO REACH US

SEIBERSDORF LABOR GMBH is located near the village of Seibersdorf, only 30 km south of Vienna; it takes about 40 minutes by car from Vienna's city centre. A public connection between Vienna and Seibersdorf Laboratories is available.
